## The Invitation

We invite you to join us as fellow spiritual scientists, erudite initiates, leaders and co-creators. Walk with us on the path of strengthening, mastering, and leading a peaceful inward life with Love for Humanity...

Earthpoint brings together the unique qualities of internally mastering excellence and martial artistry of refinement, beauty and precision. The Earthpoint practice, and way of being, is dedicated to embodied Wholeness, Wellness and Wellbeing and focuses on internal strengthening and excelling brilliance of, ever-breathing-out, a calming balm.

### What you will experience during the primary 'Live' Sessions:

- An embodied stabilising foundation framework for your whole being
- An instant meditative sequencing; dropping smoothly into Earthpoint's calm, in a heartbeat
- A healing of gentleness, warmth, and kindness with the spirit (a big outbreath moment)
- A natural relieving of the stress of the chaos and uncertainty in modern times
- A recalibrating of integrative regenerative-healthing at cellular level (reclaiming birthright)
- An inner boundary development, gently and firmly fortifying (life sensing the energetic edges)
- Revealing a greater clarity, trust, and precise discernment in your decisions
- Expressing with absolutely clear, inner honesty . . . truth-sharing with kindness and wisdom
- Immediate access to the 'potential switch' with a heightened, altered state of consciousness, 'on tap'

We look forward to seeing you, at this soul enriching, foundation and hearth building series of sessions.

"Earthpoint" was born from a natural blend of healing with Earth's Energies, Vibrational Kinesiology, Aikido, Natural Bio-mimicry and more ... aligning our geographical landing point of birth [incarnating] on this earth; concurrently with today's consciousness. Birth of nature-divinity, living bio-ecosystem in chronos-real time. Aligning with our spiritually-centred, biological rhythmic timing.
